

Two quotations on the subject of Intention

“Keep your thoughts positive,
because your thoughts become your words,

Keep your words positive,
because your words become your actions,

Keep your actions positive,
because your actions become your habits,

Keep your habits positive,
because your habits become your values,

Keep your values positive,
because your values become your destiny.”

“You are your deepest desire.
As your desire, so is your intention.
As your intention, so is your will.
As your will, so is your deed.
As your deed, so is your destiny.”
